COOKIE POLICY

Users hereby acknowledge **unipredo.com** (hereinafter referred to as the **"Website"**) and **PREDO SAĞLIK ÜRÜNLERİ SAN. VE TİC. A.Ş.** as an inseparable whole.

The Website may use online services, interactive applications, e-mail messages and advertisements, cookies and other technologies. These technologies are used to provide you with the highest quality service, to better understand your behavior and to provide our services more easily. Cookies and other technologies remind you of your personal information when you visit the Website. Our aim with this is to provide you with ease of use, to ensure that you can access the orders you have placed and to provide you with a more personalized service by remembering you and your personal information on your next visit.

During your stay on the Website, so-called "cookies" and other similar elements may be placed in your browser. You consent to the use of cookies by continuing to use the Website without changing the cookie settings on your browser.

Apart from the cookies called "session cookies" and "persistent cookies", Google Analytics cookies are used on the Website in order to monitor and report the traffic of the Website through the use of persistent and session cookies and to better analyze the user experience.

You can delete or block cookies from your computer at any time. Cookies are used to understand user behavior, to show which parts of the Website our members visit, and to measure the effectiveness of advertisements and searches. **PREDO SAĞLIK ÜRÜNLERİ SAN. VE TİC. A.Ş.** may also use this information in marketing and advertising services.

We would like to state that we may update this Cookie Policy without any notice, so you should review our Cookie Policy at various times.
